

Remarks

Applicant thanks the Examiner for the Written Restriction Requirement.

With regards the substantive portion of the Written Restriction Requirement, Claims 1-31 are subject to an election requirement. Applicant is required under 35 U.S.C. 121 to elect a single disclosed species for prosecution on the merits to which the claims shall be restricted if no generic claim is finally held allowable.

Applicant provisionally elects Group I, specifically claims 1-5, drawn to the graphical user interface. Should the Examiner wish to discuss the provisional election, Applicant again invites the Examiner to do so by telephone conference.

Respectfully Submitted,
